Well, Ive been out of love so long
That my life was just a line;
And bitterness and empty found my feelings.
Ive been out of touch so long
That the world was just a ride;
That took me through a life that held me captive.

CHORUS:

Well, I need Your love again,
Youre the ink inside my pen,
Without You Im a man without a reason.
Well, I need Your love again,
Youre the race I have to win,
Losing You would surely change my destiny.

Ive been out of love so long
That my heart became a stone
Insensitive to those who bleed around me.
Ive been out of reach so long
That my mind became my own
And all the time I had was spent self-pleasing.

Youre the source of all I am,
The Light inside my mind,
And the freshness of a newfound song.
Youre the happy ending without an end
A smile from One who cares,
Anticipation of unending life with You.
(REPEAT CHORUS)
