Isabel is a new believer  
She works a shift in the bar  
And every night the all love to tease her  
"You've finally found you a star"

Hard time  
Hard line  
To stand for what you know is true  
Hard time  
Hard line, ooh

She tells her story to hardened faces  
They say they've heard it before  
They've seen at least a half-dozen cases  
Who don't believe anymore

Hard time  
Hard line  
To stand for what you know is true  
Hard time  
Hard line, ooh, whoa!

Isabel, you're a new creation  
Isabel  
You're not alone in your situation  
You don't know how long we've waited  
Patiently anticipating  
You, oh

She's workin' late but on Monday morning  
She finds a light in the dark  
It's where she learns of her new-found calling  
Escapes the flood in the ark

Hard time  
Hard line  
To stand for what you know is true  
Hard time  
Hard line, ooh, whoa!

Isabel, you're a new creation  
Isabel

You're not alone in your situation  
You don't know how long we've waited  
Patiently anticipating  
You, oh

(Isabel, you're a new creation)  
Oh, Isabel!  
(Not alone in your situation)  
Alone in your situation  
(Isabel, you're a new creation)  
Oh, Isabel!  
(Not alone in your situation)  
Not alone, oh, no, no  
Oh, Isabel
