Undecided
Colors never looked so grey
When deciding
Whether you should go or stay
Hey, don't fight it
Love is on the winning side
Find your place there
Find the love that you denied

Sing it!
Someday you gotta stake your life on someone
One day you gotta give your love a loved one
Please stay and make it pay
Win or lose, you've got to choose

Undecided
Worry doesn't change your way
Let your mind roll
Make your mark with what you say
Hey, don't buy it
When people say you'll never change
Take the vision
God knows how to rearrange

Sing it!
Someday you gotta stake your life on someone
One day you gotta give your love a loved one
Please stay and make it pay
Win or lose, you've got to choose

Sing it!
Someday you gotta stake your life on someone
One day you gotta give your love a loved one
Please stay and make it pay
Win or lose, you've got to choose

Sing it!
Someday you gotta stake your life on someone
One day you gotta give your love a loved one
Please stay and make it pay
Win or lose, you've got to choose
