You make me feel
Like I've drawn
A loser's card

But every time you walk out of me
I find myself left
With a broken heart

But it ain't my way to quit, mom
I came to win, child

May have run out of luck
But I'm pretty sure
It's gonna come back again
It's gonna come back

Keep on tryin', child (Keep on tryin')

Keep on tryin' (Keep on tryin')
'Cause I

Still believe that I can win
Still believe that I can win
Still believe that I can win
Your love

Found myself in a freight train
Rolling down the track
To the hazy landscape goin' to town

I scored myself some hard porno
New Playboy and the new Penthouse
Doin' the hand jive just to kill the time

But it ain't my way to quit, mom
I came to win

May have run out of luck
But I'm pretty sure
It's gonna come back again
It's gonna come, it's gonna come back

Keep on tryin' (Keep on tryin')
Gonna keep on tryin' (Keep on tryin')

Still believe that I can win
Still believe that I can win
Still believe that I can win
I still believe that I can win

Your love
