Honey honey how you thrill me a ha  
Honey honey  
Honey honey nearly kill me a ha  
Honey honey

I heard about you before  
I wanted to know some more  
And now I know what they mean  
You're a love machine  
Ooh you make me dizzy

Honey honey let me feel it a ha  
Honey honey  
Honey honey don't conceal it a ha  
Honey honey

The way that you kiss goodnight (the way that you kiss  
goodnight)  
The way that you hold me tight (the way that you hold  
me tight)  
I feel like I wanna sing  
When you do your thing

I don't wanna hurt you baby  
I don't wanna see you cry  
So stand on the ground girl you better not get too high

I'm gonna stick to you boy  
You'll never get rid of me  
There's no other place in this world where I rather  
would be

Honey honey touch me baby a ha  
Honey honey  
Honey honey hold me baby a ha  
Honey honey

You look like a movie star (look like a movie star)  
But I know just who you are (I know just who you are)  
And honey to say the least  
You're a doggone beast

So stand on the ground girl you better not get too high  
There's no other place in this world where I rather  
would be

Honey honey how you thrill me a ha  
Honey honey  
Honey honey nearly kill me a ha  
Honey honey

I heard about you before (heard about you before)  
I wanted to know some more (wanted to know some  
more)  
And now I know what they mean  
You're a love machine  
Oh you make me dizzy

Honey honey a ha  
Honey honey ooh you make me dizzy  
Honey honey
