Head Down  
(Sweet Water)  
Yeah  
Stuck in a bad place  
Running in place  
Pushing my head under tow  
Riding buses and living low  
I'm keeping my head down  
Keeping my head down  
Keeping my head down  
Keeping my head down  
I don't care about the news of the world  
The story's always the same  
Nothing will ever change  
I don't care about the news of the world  
The story's always the same  
I won't ever change  
I won't ever change  
Scraping up my money  
Scraping my knees  
Beating myself hand to mouth  
Stretched my back so they can walk over me  
I'm keeping my head down  
Keeping my head down  
Keeping my head down  
Keeping my head down  
I don't care about the news of the world  
The story's always the same  
Nothing will ever change  
I don't care about the news of the world  
The story's always the same  
I won't ever change  
I won't ever change  
Ever change no, no  
I don't care about the news of the world  
The story's always the same  
Nothing will ever change  
Nothing will ever change  
Ever change  
Ever change  
I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care

I don't care
