Losing

(Sweet Water)

It was cold that night when you sang your song

It didn't take you long to put me away

Something about you bothered me

I didn't like you, I didn't want to stay

But you took me by the arm

You bit me and told me to stay calm

Ooh are you gonna save me?

Ooh you're crazy

I give in

Now here I go again

I can't see nothing

Goodbye

Well, I told myself that I was taking it slow

While I climbed into your bed

I bit my lip 'cause I was getting scared

I didn't know what you wanted

Then you held me so I couldn't leave

You tore my clothes and threw them back at me

You kissed me so I could not breathe

Oh you're crazy

I give in

Now here I go again

I can't see nothing

Oh 'cause I'm losing

I'm still losing

I want it all right now

Ain't no sense in waiting long

'Cause tomorrow, it may never come

You know I won't feel you when you're gone, that's right

Yeah, yeah

I give in

Now here I go again

I can't see nothing

Oh, 'cause I'm losing

I'm still losing

I want it all right now

Ain't no sense in waiting long

'Cause tomorrow, it may never come

You know I won't feel you when you're gone

Yeah, I won't feel...

I won't feel...
Yeah
