I've got two worlds
But I don't belong
I've two ways
Neither's very strong

CHORUS: But, I'm singing songs and working too hard
I can't stop living
I never get tired

I've got two loves
To keep me satisfied
No lovin' pain
Ever made me cry

Not afraid, I just want more
The things I've got
Are all that I'm living for

CHORUS

Pay my rent
Right on time
I drink good whiskey
But I shine on wine

There's lots of places I've got to go
There's lots of people I've got to see
That's how I know this good life
Was meant for me

CHORUS

I've two worlds
Baby, won't you come along
We'll have good times
A little sinnin' won't be wrong

Even though my heart and soul are free
Come along baby, have some good livin' with me

CHORUS

You know, I never get tired
You know I never get tired
Never, never, never.
