What could I do?
What could I do to change your mind?
What could I do?
What could I do to change my mind?

A beautiful, beautiful, beautiful, beautiful day
A lot of love in the sky

What would it take?
What would it take to change your mind?
What would it take?
What would it take to change my mind?

A beautiful, beautiful, beautiful, beautiful day
A lot of love in the sky

[Incomprehensible] take her away
[Incomprehensible] take her away
Like a bird in the sky

Just get off
