I bought a track jacket, some running shoes  
I had no pockets so I had nothing to lose  
Took a run from all my winter blues,  
Till it was summer

And every culdesac and avenue  
Tried to turn my back then my ambitions grew  
It reminded me of the feelings i once knew  
When I was a love

Oooh, la da da da  
If we were lovers, if we were lovers

I started feelin' bad, I thought of you  
All the plans you have are always fallin' through  
You really need someone you can run to  
To be your cover

I really hope I change, I'll come back then  
Maybe we'll try this all over again  
Till then I'll wonder how it could've been  
If we were lovers

Oooh, la da da da  
If we were lovers, if we were lovers  
Oooh, la da da da  
If we were lovers, if we were lovers

There is a time, everything will find it's place in line  
But all my dreams get in the way  
There is a time, everything will find it's place in line  
But all my dreams get in the way

Put on my track jacket, those running shoes  
I've got no pockets so I've got nothing to lose  
I'm gonna run from all my winter blues  
Until we're overs

Oooh, la da da da  
If we were lovers, if we were lovers  
Oooh, la da da da  
If we were lovers, if we were lovers
