The same girl at the rock bar, with a hot car  
She said I've changed, I'm actin' like a pop star  
She said I'm never around, she see me doin' shows  
And rap of me instead of jewels and cloths  
Oh man, I love her so, I wanted no harm  
You know the swing swing swagger, hope the water  
stay calm  
She's a winner, winner, so I gotta keep her, keep her  
Be a keeper gotta keep her I gotta reach her

Because she's hot hot, chitty chitty bang bang,  
Chitty chitty bang bang, go go do your thing  
Oh yeah you're hot hot, chitty chitty bang bang,  
Chitty chitty bang bang, go go, do your thing

Oh, seasons come and go. Summer turns to snow  
I know you're leaving, touch and go, oh-oh.  
You have to leave I know, you're always on the road  
Before you leave me, touch and go, oh-oh

(Alright, check it out)

Now here's what I'm gettin' at, and where ma kickin' at  
I got a letter - no I can't stop hittin' that  
And two wrongs don't make it right  
But two rights that can't go wrong, that's why I wrote  
this song.

(5549) That was the wrong number (23619) It was a  
long summer.

But thank god for Youtube and Myspace, Facebook, two  
weeks later - my place

'Cause she's hot hot, chitty chitty bang bang,  
Chitty chitty bang bang, go go, do your thing  
Oh yeah you're hot hot, chitty chitty bang bang,  
Chitty chitty bang bang, go go, do your thing

Oh, seasons come and go. Summer turns to snow  
I know you're leaving, touch and go, oh-oh.  
You have to leave I know, you always on the road  
Before you leave me, touch and go, oh-oh oh  
Touch and go, oh-oh-oh  
Touch and go

(B-b-bring that, bring that beat back)  
Oh, seasons come and go. Summer turns to snow  
I know you're leaving, touch and go, oh-oh.  
You have to leave, I know, you always on the road  
Before you leave me, touch and go, oh-oh  
Seasons come and go. Summer turns to snow  
I know you're leaving, touch and go, oh-oh  
Touch and go  
Touch and go go go go go go  
Touch and go
