Ohhhh

Baby, been thinkin of you and me
And lately, it's been hard to make ends meet
And sometimes you think that I don't care about you
Ohh, but I do

And darling, never meant to make you cry
All I wanted was to see you smile
And sometimes simple words can lead to war
But all our love, ohh yeah, don't want no fightin'
anymore

Some things are better left
Are better left unsaid, oh oh oh oh
Like roses love will die
My words forever better left unsaid, oh yeah

Baby, been thinkin of you and me
And lately, it's been hard to make ends meet
And sometimes you think that I don't care about you
Ohh, but I do, and I want you to know

-CHORUS-

Don't ever tell no lies
Don't ever walk away
Believe in me like I do you
Don't ever be afraid of losing me

No
Oh

-CHORUS-

Broken promises and hearts are hard to mend
I wish that I never said those things I said
To you
