Mmmm baby, light my fire
Ohh

She got the shake appeal, knows how to make me feel
Come back baby, do it on time
She puts the E in motion, my little aphrodisiacs' her
love potion
She is my reason to rhyme

Take me to your tunnel of love
And I'll take you down lover's lane, honey
Slip it on like a velvet glove, push and shove
Makin' love to me over again, baby

-CHORUS-

Hey honey, said the groove is the move
And now you're doing the groove of love
Doing the groove of love
Hey honey, said the groove is the move
And now you're doing the groove of love
Just do it

She got the feline feeling, her heart is what I'm stealin'
Come back baby, make love to me yeah
I'm the flame that lights your fire
Just let it loose like a wild tiger
Purr little pussycat, dig into me

Take me to your tunnel of love
And I'll take you down lover's lane, honey
Slip it on like a velvet glove, push and shove
Makin' love to me over and over again

-CHORUS-

Right
Do it rough

Take me to your tunnel of love
And I'll take you down lover's lane
Slip it on like a velvet glove, push and shove
Make love to me, oh baby yeah, oh yeah

Yeah, that's the way I like it baby
Scratch my back

Hey honey, said the groove is the move
And now you're doing the groove of love
Oh baby, babe
Hey honey, said the groove is the move
And now you're doing the groove of love
Oh baby, yeah
Hey honey, said the groove is the move
And now you're doing the groove of love
Doin' the groove of love
