Aww

All right

Well I've been around this town  
But to me it's all the same, all night long  
Until today she came, I met a lady with a taste for fame  
She goes down, go down honey  
Well I love to love you baby  
She went down, yeah she began to work

-CHORUS-

(Seaside) and I'm lazin' life away  
(She smiles) and I've got it made in the shade  
(She's wild) she's one of a kind  
(She's heavy) yeah she's all mine  
(Hook line) and I'm reelin' her in this time  
Yeah, yeah, yeah, yeah, yeah

Well I'm feelin' fine, my line is cast  
And now it's a matter of time till she comes around  
She takes the bait and don't let her get away  
Honey it's the catch of the day, talk of the town, woow

I'd love to drive you crazy  
I went down, yeah she began to work

-CHORUS-

And as the sun goes down  
Down along the sea  
Champaign, my baby and me  
Alone, what could this mean

Look out

Well I'd love to love you baby  
She went down where the fire's down below

Ohhhhh

-CHORUS-

Awwwwwwww

Huh
