Ohh yeah

I just wanna make love to you - I want your body
I just wanna make love - Ohh, I want your body
I just wanna make love to you - I'm gonna take ya down
honey
Huh, I want your body now

I saw her walkin' around like she didn't remember
When we closed the door
Started to talk to me honey, like she didn't remember
Making love on the bedroom floor
Well I said hey there sister, don't try to resist it
You got me goin' out of my head yeah
Well she said hey there fella with the hair coloured
yellow
Tell me what you want to say, yeah I said...

Baby won't you take me down
Gonna turn your head around
Baby won't you take me down
Goin' round and round and round

-CHORUS-

Oh la la

She's got a sweet se of walkers, want to get in between
Just like I did before
Well come on now baby, you're drivin' me crazy
You got me coming round for more, yeah you do honey

Baby won't you take me down
Gonna turn your head around
Baby won't you take me down
Goin' round and round and round

Ohhhh yeah
Ahuh, ahuh, ahuh, ahuh
Baby, let's get it on
Baby won't you take me down
Goin' round and round and round

Round and round and round

-CHORUS-

I want your body - I just wanna make love to you
I want your body - I just wanna ohh
I want your body - I just wanna have sex with you
I just wanna

I just wanna make love to you

I want your body, aww
I want you body oh yeah
I want your body right now honey
Aww
