Everything I know tells me she's everything that I could
hope for.

Everything I know tells me I can't let her walk away.

I took my time to find the words.

I hoped she'd feel the same.

'Cause I want someone to share my smile.

To share the pain.

To be there when the sea turns gray.

To share the joy for better or worse,

And I thought that it might have been her.

Wonder if she knows the way I saw her soul light up my
life.

Wonder if she knows of the pain I feel tonight.

I took my time to find the words,

I hoped she'd feel the same.

'Cause I want someone to share my smile,

To share the pain.

To be there when the sea turns gray.

To share the joy for better or worse.

And I thought that it might have been her.
