Welcome to the planet
Welcome to existence
Everyones here, everyones here

Everybodys watching you now
Everybody waits for you now
What happens next? What happens next?

I dare you to move,
I dare you to move,
I dare you to lift yourself up off the floor,
I dare you to move,
I dare you to move
Like today never happened,
today never happened before...

Welcome to the fall out,
Welcome to existence,
Redemption is here, redemption is here,
Between who you are and who you could be,
Between how it is and how it should be

I dare you to move,
I dare you to move,
I dare you to lift yourself up off the floor,
I dare you to move,
I dare you to move
Like today never happened,
today never happened...

Maybe redemption has stories to tell,
Maybe forgiveness is right where you fell,
Where can you run to escape from yourself
Where are you gonna go? Where are you gonna go?
Salvation is here...

I dare you to move,
I dare you to move,
I dare you to lift yourself up off the floor,
I dare you to move,
I dare you to move

Like today never happened,
today never happened, today never happened,
today never happened before
