(Chorus)

Come An'

Come

Come An' Get Me

(4X)

Verse 1

While I'm up in the ghetto I'm watchin' it closely

My whip is butter for the bread they want to toast me

Gold windows on my whip it go up slowly(?)

Cuz I'm young an' I'm rich an' bitches want me

An' them haters I shake 'em off me

Them Antiques on my ass them shits costly

I got cream niggas think I'm Mr. Softy

To the goons I blow 'em off me

See niggas be buyin' the magazines an' readin' the
articles an' talkin' bout the paper I got

But niggas don't know all the pain an' all the struggle

I've been through to get to all the shit that I got

Come N' Get Me!

(Chorus)(4X)

Verse 2 (Cassidy)

Ay-Yo The numbah one spot vacant an' I got eligibility

Put me on your song if you want street credibility

My label think I got crossover ability

But I Ain't fake niggas ain't goin' Milli Vanilli me

Not guilty your boy's out the facility

An' if you niggas want it wit me

Then COME N' GET ME

Y'all don't want it wit the barbarians runnin' wit me

You Clap I Clap back If I die then you comin' wit me

Now I'm Wit Swizzy you dig me

Cuz your boy is squeeze(?)

But they ain't even worth the lawyer fees, Please

Them dirty ass niggas still coppin' quarter keys

They roll half a pound

I'm laughing now

I'm the Hustla Muthafucka betta ask around

I seen niggas in Philly then call 'em up an' ask 'em now
I'm Flashin' now the top on the askin now(?)
If you was hatin' before you goin' hate me wit a passion
now

(Chorus)(4X)

Verse 3

If Cops around I want everybody to stop
You know listenin' to the monsta of hip hop
Man I Probably mad your favorite rapper hot
I'm Comfortable in the middle fuck the top
Come N' Get me if you want a big hook or a big beat
Your now tuned in to the sound of the Swizz Beatz
An' I Ain't considered a rapper I don't care bout my flow
I'm Hot an' Sleek wit the dough
Come N' Get Me!
