"Dare You To Move"

Welcome to the planet
Welcome to existence
Everyone's here
Everyone's here

Everybody's watching you now
Everybody waits for you now
What happens next?
What happens next?

I dare you to move
I dare you to move
I dare you to lift
Yourself up off by the floor

I dare you to move
I dare you to move
Like today never happened
Today never happened before

Welcome to the fallout
Welcome to resistance
The tension is here
The tension is here

Between who you are
And who you could be
Between how it is
And how it should be yeah
I dare you to move
I dare you to move
I dare you to lift
Yourself up off by the floor

I dare you to move
I dare you to move
Like today never happened
Today never happened

Maybe redemption has stories to tell
Maybe forgiveness is right where you fell
Where can you run to escape from yourself?

Where you gonna go? Where you gonna go?
Salvation is here

I dare you to move
I dare you to move
I dare you to lift yourself
To lift yourself up off by the floor

I dare you to move
I dare you to move
Like today never happened
Today never happened
Today never happened
Today never happened before
