I've got my back against the wall,  
But I still hear the blue sky call.

The chains that hold me back inside,  
Are the prisons of my mind,  
Yeah.

[Chorus]  
Free,  
Come set me free,  
Down on my knees,  
I still believe you could,  
Save me from me.

Come set me free,  
Come set me free,  
Inside this shell,  
There's a prison cell.  
[End - Chorus]

Inside this Shell,  
There's a prison cell.

I try to live the light of day,  
Why would I do what I hate.

But when I try to reach above,  
I only hurt the ones I love,  
Yeah.

(Chorus)

There's a hole in the neighborhood,  
Where the shadows fall,  
There's a hole in my heart but my hope,  
Is not in me at all.

I had a dream that my chains were,  
Broken, broken, broken open.

Free,  
Come set me free,

Down on my knees,  
I still believe you could,  
Save me from me.

Come set me free,  
I still believe,  
Inside this shell,  
There's a prison cell.

Inside this shell,  
There's a prison cell.

Inside this shell,  
There's a prison cell.
