Learning To Breath  
A Walk To Remember  
(A Walk To Remember)

Hello, good morning, how you do?  
What makes your rising sun so new?  
I could use a fresh beginning too  
All of my regrets are nothing new  
So this is the way that I say I need You  
This is the way  
This is the way that I'm

Learning to breathe  
I'm learning to crawl  
I'm finding that You and You alone can break my fall  
I'm living again, awake and alive  
I'm dying to breathe in these abundant skies

Hello, good morning, how you been?  
Yesterday left my head kicked in  
I never, never thought that  
I would fall like that  
Never knew that I could hurt this bad

So this is the way that I say I need You  
This is the way that I say I love You  
This is the way that I say I'm Yours  
This is the way, this is the way
