Hello, good morning, how you do?
What makes your risin' sun so new?
I could use a fresh beginning too
But all of my regrets are nothing new

So this is a way, that I say I need you
This is a way, this is a way

That I'm learning to breathe, I'm learning to crawl
I'm finding that you, and you alone can break my fall
I'm living again, awake and alive
I'm dying to breathe in these abundant skies

Hello, good morning, how you been?
Yesterday left my head kicked in
I never, never thought that I would fall like that
Never knew that I could hurt this bad

I'm learning to breathe, I'm learning to crawl
I'm finding that you, and you alone can break my fall
I'm living again, awake and alive
I'm dying to breathe in these abundant skies

These abundant skies, yeah
Abundant skies, yeah

This is a way that I say I need you
This is a way that I say I love you
This is a way that I say I'm yours
This is a way, this is a way

That I'm learning to breathe, I'm learning to crawl
I'm finding that you, and you alone can break my fall
I'm living again, awake and alive
I'm dying to breathe in these abundant skies

Yes I'm dying to breathe in these abundant skies
These abundant skies, yeah, yeah, yeah, yeah
I'm learning to breathe
I'm dying to breathe in these abundant skies

Hello, good morning, how you do?
