Wish I had what I needed  
To be on my own  
'Cause I feel so defeated  
And I'm feeling alone  
And it all seem so helpless  
And I have no plans  
I'm a plane in the sunset  
With nowhere to land

And I all I see  
it could never make me happy  
and my sand castles spend their time collapsing

chorus:  
Let me know that you hear me  
Let me know your touch  
Let me know that you love me  
Let that be enough

It's my birthday tomorrow  
No one here could know  
I was born this Thursday  
22 years ago  
And I feel stuck watching history repeating  
Yeah who am I just a kid who knows he's needy.

Let me know that you hear me  
Let me know your touch  
Let me know that you love me  
Let that be enough
