Wish I had what I needed
To be on my own
'Cause I feel so defeated
And I'm feeling alone
And it all seem so helpless
And I have no plans
I'm a plane in the sunset
With nowhere to land

And all I see-
it could never make me happy
and all my sand castles spend their time collapsing

chorus:
Let me know that you hear me
Let me know your touch
Let me know that you love me
Let that be enough

It's my birthday tomorrow
No one here could know
I was born this Thursday
Twenty-two years ago
And I feel stuck watching history repeating
Who am I- just a kid who knows he's needy
