There's a fracture in the color bar  
In the backseat of a parked car  
By the liquor store where the streetlight  
Keep you company 'til the next night

In the same town, there's the same scar  
In the same glow of the liquor store  
By the freeway, where the headlight  
Keep her company' til the next night

Oh! Gravity  
Why can't we seem to keep it together?  
Sons of my enemies  
Why can't we seem to keep it together?

In the back room of the Pentagon  
There's a thin man with a line drawn  
With a red jaw and a red bite  
Watch the headline on the next night

Oh! Gravity  
Why can't we seem to keep it together?  
Sons of my enemies  
Why can't we seem to keep it together?

Why this tragedy?  
Why can't we seem to keep it together?  
Oh! Gravity  
Why can't we seem to pull it together?

In the fallout, the fallout  
We found out the hype won't get you through  
We're connected, connected  
I meant it, the hype won't get you through, through

Oh! Gravity  
Why can't we seem to keep it together?  
Oh! Gravity  
Why can't we seem to pull it together?

Why this tragedy?  
Why can't we seem to keep it together?

Oh! Gravity  
Why can't we seem to pull it together now?

La la la  
Let's pull it together
