Do me a favor
Would sing this to me slow?
'Cause I'm thinking it's my song

Do me a favor
Would you tell me when to let go?
'Cause I think I'm holding on

Would you do it for me?
Would you do it for me?
'Cause I'm playing for keeps

Tell me tomorrow has come
With open arms, open arms, open arms
'Cause if you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving on, yeah

Do me a favor
Would you tell me which way's up?
'Cause I don't know where I fit

Do me a favor
Would you tell me when to stop?
'Cause I don't know how to quit

Would you do it for me?
Would you do it for me?
'Cause I'm playing for keeps

Tell me tomorrow has come
With open arms, open arms, open arms
If you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving on

Do me a favor
Do me a favor
'Cause I'm playing for keeps

Tell me tomorrow has come
With open arms, open arms, open arms
'Cause if you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving on, yeah, time for moving on
