Sunshine, won't she be my mother?  
Sunshine, come and help me sing  
My heart is darker than these oceans  
My heart is frozen underneath

We are crooked souls trying to stay up straight  
Dry eyes in the pouring rain  
Where the shadow proves the sunshine  
The shadow proves the sunshine

Two scared little run aways  
Hold fast till the break of daylight  
Where the shadow proves the sunshine  
The shadow proves the sunshine

O Lord, why did you forsake me?  
O Lord, don't be far away, away  
Storm clouds gathering beside me  
Please Lord, don't look the other way

I am a crooked soul trying to stay up straight  
Dry eyes in the pouring rain  
Where the shadow proves the sunshine  
The shadow proves the sunshine

Two scared little run aways  
Hold fast till the break of daylight  
Where the shadow proves the sunshine  
The shadow proves the sunshine

(Yeah yeah)  
Shine on me  
(Yeah yeah)  
Shine on me  
(Yeah yeah)  
Shine on me  
(Yeah yeah)  
Shine on me

Oh, oh, oh

We're crooked souls trying to stay up straight

Dry eyes in the pouring rain  
Where the shadow proves the sunshine  
The shadow proves the sunshine

Two scared little run aways  
Hold fast till the break of daylight  
Where the shadow proves the sunshine  
The shadow proves the sunshine

(Yeah, yeah)  
Shine on me  
(Yeah yeah)  
Shine on me

(Yeah yeah)  
Shine on me  
Shine on me  
Let my shadows prove the sunshine
