Augustine just woke up with a broken heart  
All this time, he's never been awake before  
At 31, his whole world is a question mark  
All this time, he's never been awake before

Watching dreams that he once had  
Feed the flame inside his head  
In a quiet desperation of the emptiness he says

There's gotta be something more  
Than what I'm living for  
I'm crying out to you  
There's gotta be something more  
Than what I'm living for  
I'm crying out to you

Augustine, all his fears keep falling out  
All this time, he's never been awake before  
Finding out his old dreams aren't panning out  
All this time, he's never been awake before

And he's mad to be alive  
And he's dying to be met  
In a quiet desperation of the emptiness he says

There's gotta be something more  
Than what I'm living for  
I'm crying out to you  
There's gotta be something more  
Than what I'm living for  
I'm crying out to you

Hey, I gave it all away  
Nothing I was holding back remains  
Hey, I gave it all away  
Looking for the grace of God again

There's gotta be something more  
Than what I'm living for  
I'm crying out to you  
There's gotta be something more  
Than what I'm living for

I'm crying out to you  
There's gotta be something more  
Than what I'm living for  
I'm crying out to you  
There's gotta be something more  
Than what I'm living for  
I'm crying out to you...
