Come back and haunt me, follow me home
Give me a motive, swallow me whole
They say I've lost it, what could I know
When I'm but a mockery, I'm so alone

Sooner or later, you'll find out
There's a hole in the wall, yeah
Sooner or later, you'll find out
There's a hole in the wall

Today is ours, condemned to be free
Free to keep breathing, free to believe
I look to find you down on my knees
Oh God, I believe, please help me believe

Sooner or later, they'll find out
There's a hole in the wall, yeah
Sooner or later, you'll find out
That you'll dream to be that small, yeah

Oh, I'm a believer, help me believe
Yeah, I'm a believer, help me believe

I gave it all away and I lost who I am
I threw it all away with everything to gain
And I'm taking the leap with dreams of shrinking
Yeah, dreams of shrinking, yeah, dreams of shrinking
Yeah, dreams of shrinking, yeah

Come back and haunt me, follow me home
Give me a motive, swallow me whole

Come back

Sooner or later, yeah
Sooner or later

Sooner or later, yeah
Sooner or later

Sooner or later, yeah
Sooner or later
