I've got my memories  
They're always inside of me  
But I can't go back  
Back to how it was

I believe you now  
I've come too far  
No, I can't go back  
Back to how it was

Created for a place  
I've never known

This is home  
Now I'm finally where I belong, where I belong  
Yeah, this is home  
I've been searching for a place of my own  
Now I've found it, maybe, this is home  
Yeah, this is home

Belief over misery  
I've seen the enemy  
And I won't go back  
Back to how it was

And I got my heart set on what happens next  
I've got my eyes wide, it's not over yet  
We are miracles  
And we're not alone  
Yeah, this is home  
Now I'm finally where I belong, where I belong  
Yeah, this is home  
I've been searching for a place of my own  
Now I've found it, maybe, this is home  
Yeah, this is home

And now after all my searching  
After all my questions  
I'm gonna call it home

I got a brand new mindset  
I can finally see the sunset

I'm gonna call it home

This is home

Now I'm finally where I belong, where I belong

Yeah, this is home

I've been searching for a place of my own

Now I've found it, maybe, this is home

(This is home)

This is home

Now I know

Yeah, this is home

I've come too far

And I won't go back

Yeah, this is home
