Yesterday is a wrinkle on your forehead
Yesterday is a promise that you've broken
Don't close your eyes
Don't close your eyes

This is your life and today is all you've got now
And today is all you'll ever have
Don't close your eyes
Don't close your eyes

This is your life
Are you who you want to be?
This is your life
Are you who you want to be?

This is your life
Is it everything you've dreamed it would be
When the world was younger
And you had everything to lose?

Yesterday is a kid in the corner
Yesterday is dead and over

And this is your life
Are you who you want to be?
This is your life
Are you who you want to be?

This is your life
Is everything you've dreamed that it would be
When the world was younger
And you had everything to lose?

Don't close your eyes
Don't close your eyes
Don't close your eyes
Don't close your eyes

This is your life
Are you who you want to be?
This is your life
Are you who you want to be? Yeah

This is your life
Are you who you want to be, who you want to be? Yeah
This is your life
Are you who you want to be, who you want to be?

This is your life
Is it everything you dreamed that it would be
When the world was younger
And you had everything to lose?
You had everything to lose?
