Flowers cut and brought inside  
Black cars in a single line  
Your family in suits and ties  
And you're free

The ache I feel inside  
Is where the life has left your eyes  
I'm alone for our last goodbye  
But you're free

I remember you like yesterday, yesterday  
I still can't believe you're gone, oh  
I remember you like yesterday, yesterday  
And until I'm with you, I carry on

Adrift on your ocean floor  
I feel weightless, numb and sore  
A part of you and me is torn  
But you're free

I woke from a dream last night  
I dreamt that you were by my side  
Reminding me I still had life  
In me

I remember you like yesterday, yesterday  
I still can't believe you're gone, oh  
I remember you like yesterday, yesterday  
And until I'm with you, I carry on  
I'll carry on, oh, I'll carry on

Every lament is a love song, a love song  
(Yesterday, yesterday)  
I still can't believe you're gone, oh

Every lament is a love song, a love song  
(Yesterday, yesterday)  
Oh, so long my friend, so long
