Fear - you lose
My name is a game of death
My eyes are the black
Your move
A short sport for a devil in disguise

Tremble in fear
Try to change the rules of play
Under the serpent's eyes
And you'll fall
Bleeding under the instincts of darkness

Black Ace
I cast you down on burning coal
Death and darkness is my goal
As winner as lord
I'll see to that the flames reach your soul

Pick your choice
My game is a game of death
The dark one of stone
Play your cards
And taste the essence of defeat

No turning back
This game has my tyrannic rules
The champions power
Takes you
Yeah, just try to sport the ace's genius

Black Ace
I cast you down on burning coal
Death and darkness is my goal
As winner as lord
I'll see to that the flames reach your soul

Prepare for blades
As your hope fades
You can't outsmart
The son of the black!
I cast you down on burning coal
Death and darkness is my goal

As winner as lord
Iâ'll se to that the flames reach your soul

Come on!!!!!!
