You say that we've got nothing in common  
No common ground to start from  
And we're falling apart  
You'll say the world has come between us  
Our lives have come between us  
Still I know you just don't care

CHORUS:

And I said what about "Breakfast at Tiffany's?"  
She said, "I think I remember the film,  
And as I recall, I think, we both kinda liked it."  
And I said, "Well, that's the one thing we've got."

I see you - the only one who knew me  
And now your eyes see through me  
I guess I was wrong  
So what now? It's plain to see we're over,  
And I hate when things are over -  
When so much is left undone

CHORUS:

And I said what about "Breakfast at Tiffany's?"  
She said, "I think I remember the film,  
And as I recall, I think, we both kinda liked it."  
And I said, "Well, that's the one thing we've got."

You say that we've got nothing in common  
No common ground to start from  
And we're falling apart  
You'll say the world has come between us  
Our lives have come between us  
Still I know you just don't care

CHORUS:

And I said what about "Breakfast at Tiffany's?"

And as I recall, I think, we both kinda liked it."
