No stopping for nicotine
No stopping for what you are
No stopping for Benzedrine
No stopping for rock 'n roll stars

Seven minutes to rendezvous
I'm committed to what you need
I kind of what to hold on to you
I want to be your best disease

I want to take apart what you want
I want to take you down memory lane
I want to go behind a restaurant
I want to be what you never became

No stopping for nicotine
No stopping for what you are
No stopping for Benzedrine
No stopping for rock 'n roll stars

I'm gonna win it
I let you down
I want to take a drink from your glass
I'm so down in it
I'm underground
I can't forget about touching your ass

No stopping for nicotine
No stopping for what you are
No stopping for Benzedrine
No stopping for rock 'n roll stars

Now I'm in it to be like you
I want to take you down memory lane
I'm gonna win it
It's up to you
I want to be what you never became

No stopping for nicotine
No stopping for what you are
No stopping for Benzedrine

No stopping for rock 'n roll stars

No stopping for nicotine

No stopping for what you are

No stopping for Benzedrine

No stopping for rock 'n roll stars
