“Shaking The Will”

Do You Feel Alright Now  
Now That You’re Up Off The Ground  
Would It Be Okay?  
If I Had Something To Say

It Wont Happen Again  
I Wont Let You Fall In  
Ill Hide You Behind myself  
Away From Everyone Else

If I Could stay A While  
I Know I'd Make You Smile  
Block Out The Darkest Day  
Then What Would You Say

What Would You Tell Me If Held You Higher Than Myself  
Heart Laid Out On A Shelf  
For Everyone to See

If You Could STAY For A Few  
Then I LAY With You  
You Could PLAY With My Hair  
We Could Share The Moment  
We Could Share The Moment  
We Could Share The Moment  
Let’s Just Share This Moment
