I'm- I'm too sexy check my worth
Boy don't get your feelings hurt
Chasing skirts to converse
Try'na get this Dairy Queen to serve
Got that yummy Blizzard, Blizzard
You heard mine's is more expensive
Getting Ninja in my Benz's
I see you with all your friends's
And I can see it in your eyes that you missed us
Talking SWV not you and me
Boys drop pass when I say I missed us
Guess Cupid kinda skipped us
I'm so low gettin flipped up
Singging Do Ya, Do Ya, Do Ya
I'ma do me so watch it Boo Ya
(Verse 1)
I'm feeling myself
I know I'm fly
I'm done with the pain, doing better thangs
I'm moving on
I'm going out
I got plans, I got places to be
(Bridge)
You lost the best thing ever happened to you
I'm the best thing ever happened
My love was took for granted now you see
I'm the best thing ever happened
(Chorus)
When you're with your brand new girlfriend
Really do you think she's better?
Baby, do ya? Do ya? Do ya?
Do ya? Do ya? Do ya?
Do you miss my kisses on your lips
Is it better than your new girl?
Baby, do ya? Do ya? Do ya?
Do ya? Do ya? Do ya?
(Verse 2)
I'm good right now
I wish a n**** would right now
Boy I ain't got no time, I'ma do me
I'ma dance with him
You had your chance, you slipped

I'm a ten so go to your three
(Bridge)
(Chorus)
(Hype)
All my ladies in the front, all my ladies in the front
All my ladies in the back, all my ladies in the back
Got yo hair done? Yea!
You got yo nails done? Yea!
Won't you clap it like this?
Break it down like this -this -this- this
(Vamp)
Boys you'll feel alone when you do her wrong
What you need your game?
Find it in another girl
Karma is a mother
When you find a lover, hold on to her
(Chorus) x2
(Hype)
