Ooh

Oh, well oh

I'll always be there

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

Tell me what it is about your lovin'
That makes me do anything for you
I can't explain but the fact remains
I'm feelin' like whatever you do I'm never leaving you,
I'll always

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

There are no words to describe how I get excited
But it's easy to see I'm crazy into you, you
I never had a love like this so baby
Make a promise that you'll always stay with me, I'll
always

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

I believe that when you're really feeling love
When it's true love, you can't let it get away
So baby that's why I'll say

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away

Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
Whenever you need a shoulder
I'll be forever true, there's nothing I won't do

I'll always be here for you, I promise you I'll always stay
Nothing can take my love away
