Sometimes as soft as a myst of rain
That gently touches my soul
It cools the fire that burns in me
And I simply lose control

So just
Rain down on me
(On)
Let you're just fall like raindrops
Rain on me
Just
Rain down on me
(On)
Let you're love just shower me
Just rain on me

Full as a dam at capacity
My passions about to explode, yeah
I can't escape, it's surrounding
I'm caught in a storm
That I don't need no shelter from

Rain down on me
(On)
Let you're just fall like raindrops
Just rain on me
Just

Rain down on me
(On)
Let you're love just shower me
Just rain on me

Shower me
Sprinkle me
Fall down on me
(Let you're love just fall on me)
Fall down, fall down on me
Let it
Fall down, fall on me

Just

Rain down on me
Chill me with your varying time
Rain on me
I wanna feel now just like raindrops
Just
Rain down on me
Me
Rain on me
Oh baby

Rain down on me
(On)
Let you're just fall like raindrops
Rain on me
Just
Rain down on me
(On)
Let you're love just shower me
Just rain on me

Sometimes as soft as a myst of rain
