Love's gonna be
Love's gonna be
(Repeat)

The S the double the U(W) the V

(Verse 1)

Lately, there seems to be
Some insecurities
Where I wanna be
Boy, you know it's with you
No one can do
The things you do to me
[Michael Jackson]
Get me out
Into the night-time
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite

(Chorus)

[Michael] (SWV)-Over lapping each other
[If they say -]
[Why, why, tell 'em that it's human nature]
[Why, why, does he do me that way]
[If they say -]
[Why, why, tell 'em that it's human nature]
[Why, why, does he do me that way]
(Love will be right here, be right here)
(Right here, be right here)
(No fear, have no fear)
(No tears, love is here)

(Verse 2)

True love some don't believe in
That's just what I'm giving
I'm gonna keep it strong
I'll be holding on to you.
No one can do me like you do, it's true
[Michael]

Reaching out
To touch a stranger
Electric eyes are ev'rywhere
See that girl
She knows I'm watching
She likes the way I stare

(Chorus)

(Bridge)
Won't let go
You should know this thing is real
No questions, just listen to you heart and
Love will be right...

(Chorus)
Repeat Until Fade...
