[Coko]

Silent night, holy night

All is calm, all is bright

[Coko's Mom]

Round yon virgin mother and child

Holy infant so tender and mild

(Sleep in heavenly peace)

(Sleep in heavenly peace)

[Coko's Mom]

Silent night, holy night

Shepherds quake at the sight

[Coko]

Glories stream from heaven afar

Heavely hosts sing alleluia

(Christ the Saviour, is born)

(Christ the Saviour, is born)

[Coko & Her Mom]

Its a silent night, it's a holy night

Son of God, love's pure light

Radiant beams from thy holy face

With the dawn of redeeming grace

Jesus, Lord, at thy birth

Jesus, Lord, at thy birth

Jesus, Lord, at thy birth

Yeah, alright alright yeah yeah

Silent night, silent night

Holy night, holy

The son of GOD

And he sheds pure light, ooh ooh

What a silent night, a holy night yeah

Holy, holy, holy night yeah oh yeah

Silent night, silent night

Silent night, silent night

Holy night, holy night

Holy night, ohhh yeah, Jesus

The son of GOD, and he sheds pure light
