[Lelee]

It's alright baby, yes it is

Ooooohhh

(Chorus)

It's alright

To come hold me

Don't be shy

Just love me

The minute I close my eyes, suprise me

With your ooohh, aahhhh, ohhh, wowoh

(Verse)-[Lelee]

I need someone to hold

Someone who will make my body

(Feel so good that it starts to tingle)-(oh)

If you give me the chance (the chance)
