I wanna be there for you  
Will you be there for me?  
That's what I'm here for  
That's what I live for

That's what I give for  
I wanna be there for you  
Will you be there for me, for me?

You should know by now how I feel  
That my love is real  
Feels secure knowing  
You've got my heart in a way

I can never stray  
But now people talk  
They say our love won't last  
They say my love for you  
Soon it will pass

You can rest a sure  
I will never leave  
You're all the man that I need  
I hope you see

That's what I'm here for  
Giving you all of my love  
That's what I live for  
To be the only one you dream of

That's what I give for  
All that I have  
I wanna be there for you  
Will you be there for me, for me?

I'll be here to give you what you need  
You can count on me, baby  
Feels secure knowing  
You've got my heart in a way

I can never stray  
But still people talk

They say our love won't last  
They say my love for you  
Soon it will pass

But you can rest a sure  
I will never leave  
You're all the man that I need  
You can believe

That's what I'm here for  
Giving you all of my love  
That's what I live for  
To be the only one you dream of

That's what I give for  
All that I have  
I wanna be there for you  
Will you be there for me, for me?

That's what, that's what  
That's what, that's what  
That's what, that's what  
I wanna be there for you  
Will you be there for me, for me?

Ya so moist  
Plus you got the platinum voice  
And you fine smelling like 360 Divine  
You blow my mind away  
Tonight and forever like diamonds all right

We tight like that, stress time for chillin'  
Times is short, good and part  
Because you know you're my dime, the top illin'  
They jealous 'cause me you style's killin'  
Ain't nothin' happenin' with that breakdown talk

We can walk the walk and keep it real  
Like New York I'm sold up, you word up, uh  
If we just show 'em I'll blow 'em twice  
And we'll just keep flowin' like Chardone'

On ice as we lounge in the crib and parle'  
You know what I mean  
Not to mention your lover supreme  
Move's truly with throughout the evening  
I'm here no question as long as I'm peepin' Ill town

That's what I'm here for  
Giving you all of my love  
That's what I live for

To be the only one you dream of

That's what I give for

All that I have

I wanna be there for you

Will you be there for me, for me?

That's what I'm here for
