(Chorus)

Christmas just ain't christmas
Without the one you love
New Years just ain't new years
With the one you love

[Taj]

Underneath the missletoe
I saw his face all aglow
Last year this time
Now I stand all alone
And my house is not a home
Without that man of mine

(Chorus)

(Taj)

Twelve O' clock and all is well
And I was doing O' so swell
Last year this time
Going shopping for presents together
Making vows to leave each other-never
It was a waiste of time

(Chorus)

[Taj]

Oh, and now I stand all alone
And my house is not home
Without that man of mine, OOOOH

(Chorus)
