I get to it so flipping fast

I'm about to mash in the cash, moving so fast

I jump in the slow lane, low lane, no man

Snoopy and the double G's on the microphone and I'm  
about to blow man

I'm a take you from the top, right back down to the  
middle

Get you're kid a ?

Cus yes indeed I'm a ?

Little game to y'all

Don't stall or crawl

This SWV came back with that boot, DOGGY DOG

(Chorus)

Way too major baby

We way to funky with this I mean it's way to major baby,  
it's goin' down

1997 - all dogs go to heaven

Listen to me cus I get ya hot until ya melt

Jump on the scene get ya funky and wet

Cus I know ya wanna roll with this true vet (funky)  
I'm a player and they say, player like me, ain't never  
been a faker  
Yet I met a laker  
Life is like basketball  
You just dribble and ya scriblin', writin' on the walls  
I'm gettin' to it so quick and fast no need  
For y'all to take your mind and your body off me  
Cus I'm about to get ya, spit ya, split ya, did ya, bite ya,  
Na I don't bite, I bet ya know all richer  
I get ya all in the mood  
Yeah it's on us  
We can roll just like the greyhound bus  
We can stop in yo town, go back downtown  
Now recognize cus the game gonna be spinning  
around

(Chorus)
