You're the one for me
(You're the one)
You can call on me
Is all I want us to be
(Oh yeah)
You're the one for me

(Verse)

I know that you're somebody else's guy
But these feelings that I have for you I can't deny
She doesn't treat you the way you want her to
So come on stop running
I wanna get with you
(What your girl don't know won't hurt her)
(Anything to make this love go further)

(Chorus)

You're the one
(You're the one for me)
When in need
(You can call on me)
When in love
(Is all I want us to be)
Cuz you're the one
(You're the one for me)

(Verse)

This can be an undercover romance
Cuz I feel that I'm the type of girl
You should give a chance
Taste and see, (taste and see)
How good it can be, (how good it can be)
(Cuz you don't have to worry), baby
(What your girl don't know won't hurt her)
(Anything to make this love go further)

(Chorus)

(Breakdown)

So what's my chance
(I'm willing to do anything to get)
In your pants

(You don't have to worry I won't)
Say a thing
(And if she finds out, I don't)
Know nothing, oh no

(Chorus)

You're the one for me
When it's love ya need
You're the one for me
When it's love ya need

Repeat Chorus Until Fade...
