You gotta move, you gotta move
You gotta move, baby, you gotta move
You keep always greeting me, babe
Oh, you gotta move

You gotta move, you gotta move
You gotta move, baby, you gotta move
You keep on hurting my heart, love
Woah, you gotta move

My mama told me long time ago
Watch out for women, well, they can hurt you so
You keep on hurting me like you do
Woah, you gotta move

I said, you gotta move, you gotta move
Move on, woah, you gotta move
You keep on dogging me babe
Woah, you gotta move

I love you baby, to my heart
You keep on mistreating me, oh, we gotta part
I hate to let you go baby
Woah, you gotta move

I said, you gotta move, you gotta move
Move on, woah, you gotta move
You keep on dogging me baby
Woah, you gotta move

You gotta move, you gotta move
Get away from me baby, woah, you gotta move
You keep on hurting my heart girl
Woah, you gotta move

I love you baby, to my heart
You keep on mistreating me, oh, we gotta part
I hate to let you go baby
Woah, you gotta move, one more time

You gotta move, you gotta move
Move on, woah, you gotta move

You keep on dogging me baby
Woah, you gotta move, woah, you gotta move girl
