### "Hightech Versus Lowlife"

Visit "[Hightech Versus Lowlife](#)" on MotoLyrics.com

We're confined behind invisible barricades  
A glyphic shroud of glorified lies

Kali Yuga  
And we slowly turn into cowards  
The excess of truth isolates us

Forsaken, dismayed  
We were told to mask the void inside our disabled  
hearts in subtle ways  
Substitute faceless  
We're dissolved into a sea of gray, constrained to  
settle for decay

Evolving careless on treacherous heights  
We weaver between detachment and fear

Kali Yuga  
And we slowly turn into cowards  
The excess of truth isolates us

Forsaken, dismayed  
We were told to mask the void inside our disabled  
hearts in subtle ways  
Substitute faceless  
We're dissolved into a sea of gray, constrained to  
settle for decay

"Surrender to the cold obliteration of your ego"  
Constantly forced to seclusion, we are bound with cruel  
precision

Kali Yuga  
And we slowly turn into cowards  
The excess of truth isolates us

Forsaken, dismayed  
We were told to mask the void inside our disabled  
hearts in subtle ways  
Substitute faceless  
We're dissolved into a sea of gray, constrained to

settle for decay
