Howling the pack in formation appears  
Diamonds and clubs, light misted fog, the dead  
Waving us back in formation,  
The pack in formation  
Bowling they bat as a group  
And the leader is seen - so early...  
The pack on their backs, the fighters  
Through misty the waving - the pack in formation  
Far reaching waves  
On sight, shone right  
I lay as if in surround...  
All enmeshing, hovering...  
The milder I gaze  
All the animals laying trail  
Beyond the far winds  
Mild the reflecting electricity eyes...  
Tears, the life that was ours  
Grows sharper and stronger away and beyond  
Short wheeling - fresh spring  
Gripped with blanched bones - moaned  
Magnesium, proverbs and sobs...  
Howling the pack in formation appears  
Diamonds and clubs, light misted fog, the dead  
Waving us back in formation,  
The pack in formation...
