You're the one who makes me happy,
You're the one who makes me cry.
You're the only reason I live for,
To make you happy I would die.
You're the only angel I know,
I love you with all my heart and soul
You're the light and I'm the darkness,
I will catch you if you fall.
You're my muse and you're my teacher
You're the painter of my picture
And the only thing I know that's true
Is that I can't stop loving you.
